

Code snippet C:

SELECT id, date, site, url FROM links

WHERE publish = "yes" AND date = (

SELECT date FROM links

WHERE date < '2014/02/25' ORDER BY date DESC LIMIT 1)

AND category!= 'Adult' ORDER BY date DESC, clicks DESC

Example

LIMIT 200

NL queries Qs for C:

the same date"

- (1) "fetch past records closest to given date and sort"
 - (2) "select 200 most popular non-adult
 - links with date earlier than 2014/02/25" (3) "mysql and php: select all fields from
